

Less than a year after signing a pioneering agreement to develop a national sport skills training program in India, Camosun signed a seven-year partnership agreement with Jain University in Bangalore. Students who complete the Camosun-developed Sport Management and Exercise and Wellness programs in Bangalore will have the option to transfer to Camosun to complete related degrees, diplomas and post-degree diplomas.

Camosun's Carpentry Foundation students gave back, working on a local building project with Habitat for Humanity Victoria. A class of 28 entry-level students trained on site, constructing the footings, foundation, frame, floors and walls of a new townhouse four-plex on Cedar Hill Cross Rd. in Saanich.

Measuring employee engagement and satisfaction was identified as the top priority during college-wide People Plan consultations. Camosun's overall engagement score is 76 out of a possible 100 points—a result that places us within the category of *fully engaged* as an organization.

As a comprehensive college, Camosun continues to direct resources to ensure all sectors have access to well-prepared college graduates who can seize emerging opportunities. The Provincial Government's 2024 Labour Market Outlook indicates more than 78% of job openings will require some post-secondary education and training. Opportunities are predicted in financial services, technology, hospitality management, health care, social services, office administration and early learning and care.

The health sector is one of the largest and fastest growing in British Columbia, employing 210,000 people in 2014. The largest share of these (about 170,000) provides publicly insured medical and paramedical care in community, ambulatory, acute and residential care settings.
