

VICTORIA, BC

A TRULY UNIQUE EXPERIENCE

CELA

We partner with various Camosun schools and departments to create a one-of-a-kind learning experience where students participate in applied workshops that showcase Camosun academic programming. This career sampling will broaden the participants' creative thinking skills while enhancing their critical thinking and conversational English skills.

CELA, Language & Career Preparation

Our students benefit from Camosun's engaging curriculum taught by instructors who hold a minimum of a masters degree. Students get to enjoy our two beautiful campuses and all their resources while exploring beautiful Victoria and Vancouver Island.

*CELA workshops vary depending on season and faculty availability.
