VI NEW BUSINESS

1. Institutional Accountability Plan & Report 2022/23

Rodney Porter, Executive Director, Communications and Marketing, reported that every year, each of the 25 public post-secondary institutions in B.C. are required to submit Institutional Accountability Plans and Reports to the Ministry of Post-Secondary Education and Future Skills. It is due on July 14, 2023. The report includes the college's goals, objectives and performance measure results preceded by contextual information to showcase the service we are providing to students and communities. The benchmarks are predetermined by the province. There is some missing data which the Ministry will give us. It will be included once it arrives. The theme

The Friendship Centres are the largest network of urban Indigenous service providing agencies in Canada. They began in the 1950s. There are 120 in Canada and 25 in BC. Each is autonomous and responds to their own community's needs. Indigenous peoples are subdivided by false external jurisdictions: on and off reserve; status or non-status; and the four levels of government. Many from the 60s scoop do not know where they are from. First Nations and Métis Nation are resourced by government to participate in ongoing engagement and have dedicated people to liaise. There is no functioning urban Indigenous group. A network of urban voices at the grassroots, regional, provincial and national levels is needed.
